Carlos Lemos, President
Ambient Technologies, Inc.
4610 Central Avenue
St. Petersburg, Florida 33711

Dear Mr. Lemos:

The Economic Development Department has approved your firm's application for certification as a bona fide Disadvantaged Minority/Disadvantaged Woman Business Enterprise with the Hillsborough County Board of County Commissioners for a period of two years, effective January 14, 2009.

Certification applies to the following approved line(s) of business:

Asbestos Abatement/Removal, Contamination Assessments, Environmental Assessments,
Environmental Consulting, Environmental Well Drilling, Ground Water Studies,
Microbiological Testing & Consulting

Prior to the expiration date as set forth herein, the owner(s) and/or principals of the firm must complete at least eight (8) hours of formal business training to further their business acumen. Those firms that have been in business for more than 10 continuous years are *exempt* from this requirement.

The Department maintains a list of institutions and locations where courses are being offered, however this list is not exclusive. You can visit to our Small Business Information Center (SBIC) website at: www.hillsboroughcounty.org/sbic/home.cfm. Here you will find a current calendar of workshops and seminars, as well as, free online training classes. You may use the workshops and online classes as a resource to fulfill your DM/DWBE & SBE re-certification hours. The business owner(s) and/or principals may choose course offerings that are not on the Department's list, providing that the focus of such training is the improvement of the business' ability to compete in the current marketplace.

Re-certification will be granted upon receipt of an updated DM/DWBE Affidavit, plus evidence of successful completion of the education requirement as specified above.

If any changes regarding the ownership, size, or any material characteristics of the business occur, it will be necessary to complete another Disclosure Affidavit.

Hillsborough County reserves the right to revoke this certification at any time prior to the expiration date.

Sincerely,

Bill Herrig, Interim Manager
DM/DWBE & SBE Programs Section
